SEVEN REASONS TO CHOOSE OUR CLUBCLASS SUMMER PROGRAMMES

01 OUR COURSES

These have been carefully designed to target teens and young learners, providing a balance of language skills practice. Students who follow our Summer Programmes will participate in creative and engaging lessons, develop and improve their fluency by focusing on skills such as speaking, listening, reading and writing. They will improve their language awareness and expand their vocabulary. This is put into practice daily through interactive tasks in the form of role-plays, discussions, project work and mini-presentations.

All classroom lessons centre around topics which are interesting, communicative and appropriate for the age group.

02 TEACHERS

Our academic team is made up of extremely dedicated and motivated individuals with considerable teaching experience. They are employed for their excellent teaching abilities, in addition to their communicative skills and interaction with the students. All our teachers are fully qualified to teach English.

03 ENGLISH CLASSES

Students will have 3 hours of English classes, 5 days per week with an average of 12 to 15 students in each class. Our carefully planned lessons focus on all skills: listening, speaking, writing and reading.

04 SAFETY

We acknowledge the trust that you put in us and take our responsibility seriously. For this reason, we have specific policies and procedures in place for Junior/ Teenage students who attend our programmes. Our locations have been carefully selected for their safe environment and we offer the highest level of supervision.

05 AIRPORT

Upon arrival at Malta International Airport, the students are met by our activity leaders in the arrivals area. Please note that travel time from the airport to the accommodation is approximately 15-30 minutes depending on traffic.

06 ACCOMMODATION

Students booking our All Inclusive Summer Program have the option of choosing Host Family accommodation or the Beach Garden Hotel which is situated right across St. George's Bay's sandy Beach and just a short 8 minute walk to Clubclass.

The Hotel boasts of large outdoor spaces and a very large pool as well as offering all of the comfort students would require during their stay.

07 ACTIVITY LEADERS

Our social activities are designed to ensure that students enjoy every minute while studying at Clubclass! Activities are enjoyable, safe and fun. Our team of activity leaders are experienced, fun loving and responsible individuals who are trained first aiders. To ensure the safety and well-being of our students, attendance is taken on a regular basis throughout the excursion. The ratio is 1 group leader for every 15 students.

Group lessons missed will not be replaced, and there will be no refund. An exception is made for Person to Person and Two to One courses where lessons missed will be made up.

1.11 VISAS Depending on the country of origin, some students may require a visa to study at Clubclass. The School will provide support and issue all the necessary supporting documents for students to apply for their visa once payment has been received; additional charges will apply each time documents are sent by courier and will be borne by the client. Students should ensure that they fully understand the country's immigration and border control regulations - up-to-date information is available from official visa websites. It is the student's responsibility to ensure that they obtain all the documents required for entry into the country, and to make themselves aware of any legal requirement or restriction that would hinder or prevent them travelling. Failure to attend a minimum of 80% of your lessons may jeopardise the possibility of extending your visa. Whilst the School endeavours to support students at all times, it cannot be held responsible for decisions taken by embassies or immigration authorities regarding entry visas or visa extensions.

Should the enrolment start date be postponed due to delays in the visa application process, the School cannot guarantee the original accommodation allocation and if the revised enrolment extends into the high season, a difference in fees may apply. In the case of students who required a visa extension, documents confirming that an individual is a student at Clubclass will only be issued to students who attend lessons regularly. Please note that it is the student's responsibility to apply for the correct type of visa and in good time. In view of its legal obligations towards the immigration authorities where a student is permitted entry to the country on the basis of a visa, the School reserves the right to retain the students' passport upon the student's arrival and to release the passport to the student only on an 'as-needed' basis and/or upon the scheduled departure.

2. CANCELLATION & REFUND POLICY

2.1 CANCELLATION PRIOR TO ARRIVAL

If a reservation is cancelled 29 days or more before the enrolment start date a cancellation fee of €150 will be charged. If a reservation is cancelled 28 days or less before the enrolment start date the full deposit paid will be forfeited.

2.2 "NO SHOW" OR SHORTENING OF STAY **Reservations for 28 days or less:** If a student does not arrive on the enrolment start date, is absent during the course or leaves before the end of the package, a cancellation fee equivalent to the price of the complete package booked will be charged.

Reservations for 29 days or more: If a student does not arrive on the enrolment start date, or a reservation is shortened within the first 28 days of a student's enrolment start date, a cancellation fee equivalent to the lower between the price of the full package and the cost of the first 8 weeks of the package booked will be charged. If a reservation is shortened 29 days or more after a student's enrolment start date, the student needs to advise the School in writing at least 4 weeks prior to the revised enrolment end date, otherwise a 4-week cancellation fee will apply. The revised charge for the shortened duration will be based on the published rates in use at the time of amendment, and a started week will be considered to be a whole week. During the cancellation period the student is permitted to continue making use of the services paid for. Any refunds for the part of the package not utilised (if any) will be given to the student

in the form of a credit note, which can be used for a course upgrade (in a group) or transferred to another student who is not enrolled at the School. The credit note will be based on the value of the amount collected by the School. The School will send an e-mail to acknowledge that a cancellation/curtailment request has been received. If a student does not receive a confirmation email from the School it means that the request has not been received.

2.3 REFUSAL OF VISA If an entry visa is not granted and the School is informed 8 days or more before the enrolment start date, a full refund, less an administration fee of €150 and courier fees (if applicable), will be sent to the student. The refund will be transferred into the same account from where the original payment was effected. If the School is informed 7 days or less before the enrolment start date, a cancellation fee, equivalent to the cost of one week (course, accommodation, course resource fee, airport transfers, etc.) bank charges and courier fees (if applicable), will be charged. In the case of a student's visa not being extended, a refund based on the difference between the amount paid and the charge for the revised duration will be given. In all cases, the original documents issued by the School and evidence of the visa refusal are to be handed to the School. No refund will be given if a student is expelled or deported. The refund will be transferred into the same account from where the original payment was effected.

3. SCHOOL POLICIES

3.1 FIRST DAY OF SCHOOL The first day at school will be Monday if students arrive at the weekend, and the following day after arrival for mid-week arrivals. Students have to be at the School reception by 08:45, unless otherwise advised. The first day at school will be Tuesday when a public holiday falls on a Monday and the school is closed.

3.2 PLACEMENT TEST Prior to their arrival, students are sent a link to the online placement test to assess their level of English and on their first day, they will be assigned to a level of study based on their results of this test. Courses in General English are offered at all levels, however an intermediate level of English or higher is required to join the Professional English Courses. Students wishing to join an Exam Preparation course must have an appropriate level of English relevant to the exam they wish to take. If a student does not have the minimum level of English required to follow a particular course, the student will be offered a place in a General English-Intensive course of the same value. Should students feel that they have been placed in the wrong class, they should immediately report the matter to the Director of Studies for consideration. You may be asked to do your placement test online prior to joining your course.

3.3 WELCOME MEETING & ORIENTATION On Monday, immediately after their placement test, students will be invited to attend a short welcome meeting where they will be given details about the course timetable, facilities available at Clubclass, leisure programme and welfare information. Students will also be given general tips and guidelines to help them make the most of their stay and will be invited to an orientation walk.

3.4 ABSENCE FROM SCHOOL In the event that a student is absent from school, missed lessons are not made up or refunded.

3.5 ATTENDANCE Students must be punctual and latecomers will be excluded from their lesson. Only students who have been excused by their teacher or visited and certified as being sick by a doctor will be allowed to miss lessons. The School reserves the right to exclude any student from class who is deemed to be unfit to attend lessons. Documents confirming that an individual is a student at Clubclass will only be issued to students who attend lessons regularly. Students who are absent from their lessons without reasonable justification will not be awarded a course certificate. Regular

absenteeism could lead to the student being expelled and no refunds will be given. The school is obliged to report regular absenteeism to the immigration authorities.

3.6 COURSE CERTIFICATE Students are awarded a course certificate at the end of their course at Clubclass. (End of Course Questionnaire needs to be handed in before collecting the certificate) Students require a minimum of 80% attendance in order to receive a certificate.

3.7 LEVEL CHANGE Students who would like to change level during their stay are to approach their class teacher, who will then discuss this with the Director of Studies. If the request is approved, the student will be asked to take a test before being moved to the next level. Should the student wish to have a new course book, this can be provided against a charge.

3.8 COURSE BOOK A course book is included in the course resource fee paid by students over 16 and joining any of the adult courses at Clubclass. Since course books cannot be exchanged, these are given to students on their second day of their course to ensure that students have been assigned to the appropriate level (students may need to purchase additional course books when they move up to a higher level or a different course).

3.9 COURSE TIMES AND LOCATION Courses may be held in the morning or in the afternoon. The School reserves the right to place students in any course schedule and to change the timetable as and when necessary. The School may use classrooms at alternative premises of a similar or better standard.

3.10 REDUCTION IN LESSONS If an insufficient number of students are participating at a particular level, the School reserves the right to reduce the number of lessons as follows:

- Group course with a maximum of 12 students per class - 1 to 4 students in class, 5 lessons for every 10 lessons booked
- Group course with a maximum of 6 students per class - 1 or 2 students in class, 5 lessons for every 10 lessons booked

3.11 COURSE CHANGE Students who would like to change their course during their stay are to approach the Director of Studies; additional charges will apply in the case of upgrades to a different group or person-to-person course, however refunds or course/accommodation extensions will not be given if students change to a course of a lower value. Change from a group course to a person-to-person course is only possible if the price-difference between the two courses is paid and the new course has a minimum of 20 lessons per week. If a student requests to be changed to a course of the same type and/or value, an administration fee of €25 will be charged. The School reserves the right to change any part of the package to another type of similar or better standard where circumstances beyond the School's control necessitate such changes - in this case no charges will apply.

3.12 SHORTENING OF ENROLMENT No cash refunds will be given to students who shorten their package at Clubclass; the School's "Cancellation & Refund Policy" will apply. Students enrolled with a visa/temporary residence permit may not be shortened due to the terms of issue established by immigration authorities.

3.13 TAKING A STUDY BREAK Long-term students are entitled to a two- week break for every 10 weeks booked, and a one-week break for each additional 5 weeks. Students are to inform the Director of Studies and/or the School reception staff at least 7 days before they plan to take a break. Breaks must consist of whole weeks (Monday to Friday) and the course only will be added on to the end of the enrolment. If the revised enrolment extends into the high season, a difference in fees may apply. In the case of study breaks, unutilised accommodation and courses cannot be passed on to other students and refunds will not be given. Students returning from a study break

cannot expect to return to the same class, teacher or accommodation (in exceptional circumstances, the School reserves the right to move the students' personal belongings while the student is not present). Once a break has been confirmed, dates cannot be changed and students may not turn up for lessons during the respective week/s. Students requiring a visa for the duration of their stay must ensure that their enrolment includes any planned study breaks. Accommodation is not carried forward. The last course week/s cannot be booked as a study break.

3.14 EXAM INFORMATION Course fees do not include exam fees; these are to be booked and paid for at the School. Exam application is at the discretion of the Director of Studies. Students wishing to sit for exams must bring valid passports for exam entry; identity cards will not be accepted. Transportation to and from the testing centre is not included.

3.15 POSSIBLE CHANGE IN LESSON FORMAT Clubclass English Language School reserves the right to switch from face to face lessons to online lessons as it deems necessary in order to safeguard the health and safety of its students and staff. For operational reasons, there may be weeks when the maximum number of students in class at any one time is exceeded.
