FAQs

What is the price if a course crosses a discounted and the standard period?

- 1) Identify the **total number** of study weeks.
- 2) Count the number of weeks in **each price period**.
- 3) Find the **discounted price** per week for the **total period**.
- 4) Find the **standard price** per week for the **total period**.
- 5) Calculate the course fees for each period and the total

Are there any booking fees or accommodation fees?

There are no course booking fees and no accommodation fees.

Example

12 weeks of Standard General English (20 lessons per week)
 8 weeks **discounted price** and 4 weeks **standard price**
 12 weeks **discounted price** = € 144 per week
 12 weeks **standard price** = € 180 per week
 € 1,152 (8 x **discounted** price per week)
 + € 720 (4 x **standard** price per week)
 Course fees = € 1,872

What is included in course prices?

All course prices include:
 Course materials, level test and course certificate, internet café, free wifi, school swimming pool, social activities with a teacher, 24 hour emergency service, student card for discount in various shops, free book/DVD lending library, "Welcome Meeting" with local specialties and daily activity programme.

What if single rooms for host families/apartments are fully booked?

If all single rooms are fully booked, we are able to offer:
 > An alternative accommodation (e.g. a single room in an apartment instead of a single homestay); or
 > A twin room for single use in the same type of accommodation with an added supplement.
